LNG CROATIA LLC for liquefied natural gas business, Zagreb, Savska cesta 88 A, PIN: 53902625891, (hereinafter: Principal) announces the following:

INVITATION TO TENDER

The Principal hereby invites all interested economic subjects to submit tenders in an open procurement process for the conclusion of the contract for business services and financial and legal advice during the preparation of building a terminal for liquefied natural gas (LNG) on the Island of Krk.

I. PRINCIPAL

LNG CROATIA LLC for liquefied natural gas business
LNG CROATIA LLC
Savska cesta 88 A, 10000 Zagreb
Tax No.: 080733282, PIN: 53902625891
Tel: +385 1 6301 635, Fax: +385 1 6301 675
E-mail: info@lng.hr

II. MAIN ACTIVITIES OF THE PRINCIPAL

The main activities of the Principal are the following:

- preparation of projects relating to the terminal for liquefied natural gas (LNG) and related liquefied natural gas storage facility,
- designing the terminal for liquefied natural gas (LNG) and related liquefied natural gas storage facility,
- managing the terminal for liquefied natural gas (LNG) and related liquefied natural gas storage facility.

III. SUBJECT OF TENDER

The subject of tender in the open procurement process is the procurement of business services and financial and legal advice during the preparation of constructing a terminal for liquefied natural gas (LNG) on the Island of Krk (hereinafter: Consulting Services).

The scope of the procurement subject is determined in the Project Task from Part II, the Cost Estimate from Part VI and Schedule from Part VII of the Tender Documents (hereinafter: TD).

As an integral part of the tender, the tenderer shall submit the Technical content of the tender in accordance with the form located in Part V of the TD, which shall contain the analysis and comments of the tenderer with regard to the detailed task description contained in the TD. The tenderer shall describe the conceptual approach, methodology and organisation of the Consulting Services provision, including the expert personnel composition of the tenderer and cooperatives, with a detailed description of the professional qualification level, years of experience in the areas which are the subject of procurement and references, as well as the Cost Estimate and Schedule of service provision.

The individual basic units of Consulting Services compliant with the Project Task stated in the TD are the following:
1. forming the business and legal model for building the terminal,
2. preparing the tender documents for the selection of strategic and financial investors for the purposes of building the terminal,

3. proposal for the selection of strategic and financial investors for the purposes of building the terminal,

4. submitting the application in order to obtain the approval for exemption for the new infrastructure project,

5. preparing the contract for the terminal use service provision,

6. consulting services during the selection of contractors for the engineering, procurement, building and start-up of the terminal (EPC contract),

7. consulting services during the selection of facility service providers and terminal maintenance.

IV. TAKEOVER OF TENDER DOCUMENTS

The TD can be taken over directly in paper form, at the address of the Principal, every workday in the periods from 9 a.m. to 11 a.m. and from 1 p.m. to 3 p.m., with previous written request in accordance with the contact information stated in this invitation and the TD, until the expiry of the deadline for the submission of tenders. The request shall state the Procurement Record Number UP-301/2014. At the request made by the interested economic subject, the Principal shall deliver the TD in electronic form via e-mail. The interested economic subject shall state the following in the written request for DT delivery:

- Name and seat of the economic subject,
- Address,
- Telephone and fax numbers,
- Name, surname and position of the contact person
- Indicate whether they shall take over the TD copy at the address of the Principal or via e-mail.

V. CONDITIONS OF PARTICIPATION

The conditions of participation for the tenderer are described in detail in the TD.

VI. CONTRACT DURATION

The predictable total deadline for the Consulting Services performance is 560 calendar days from the date of entry into force of the contract.

VII. PROCEDURE AND CRITERIA FOR SELECTION

The Principal is conducting the open procurement process in accordance with the standard rules of public procurement in which any economic subject may submit their tender, all in accordance with the conditions stated in the TD, and the selection criterion shall be the most favourable bid.
VIII. DEADLINE FOR THE SUBMISSION OF TENDERS

The deadline for the submission of tenders shall be 16 December 2014, until 10 a.m..

The tenders shall be submitted via regular mail or directly at the address of the Principal: LNG CROATIA LLC, Savska cesta 88 A, 10000 Zagreb, Republic of Croatia.

The tenders received in the Registry of the Principal before the deadline for the submission of tenders (whether submitted in person or via regular mail), at the address Savska cesta 88 A, 10 000 Zagreb, room No. 001 C, shall be considered as tenders received in a timely manner.
